The Harp at Letterston was originally a 15th century farm and country Inn. The 1Sandall family have now owned it for 40 years. We have extended, refurbished and up-graded over that period and finally added the four-star visit Wales graded letting rooms in 2011.

We are fully committed to using as much local produce as possible in our menu and are supporting the local butchers, and suppliers, as well as the surrounding farming community. We are pleased that we create 95% of our menu, to ensure that we are able to cater for almost all dietary need, please ask for any information you require.

We cater for all dietary requirements offering a large vegan & vegetarian section

We are dog friendly in both our public bar and conservatory areas,
as well as 50% of our letting rooms .

Our extensive disabled facilities mean that we have now complete wheel chair access in all our buildings. All our rooms are completely disabled friendly and one has a designated, fully disabled friendly wet room.
